August 2015

Hello Wildwood Elementary School Families,

We are excited to announce that WWPO will be offering a delicious hot lunch every day of the week at the elementary campus with a new vendor, Organic Kids LA. Organic Kids LA offers 100% organic fresh fruits and veggies among other sustainable, healthy foods. In addition, the buffet-style meals are eaten off of reusable trays, reducing our carbon footprint.

Lisa Rotundi, President of Organic Kids LA, will pay close attention to nutritional needs as well as any food allergies your child has. Their office staff is available to answer any of your questions. They are not a peanut-free kitchen, but Organic Kids LA assures us there is no cross contamination of nuts, gluten, or dairy to other foods.

Menus are posted two months in advance. There is a new ordering process for hot lunch described on pages 3-5 of this handout. Families can start ordering on Aug. 17 and hot lunch begins Sept. 8, 2015. To learn more about their food offerings, explore their site as well as start an account for next year, visit <http://www.organickidsla.com>.

Have a wonderful summer, and let us know if you have any questions.

All the best,

Melissa Kaye and Michelle Watkins

Dear Parents,

Thank you for giving us the opportunity to lunch with your children this coming school year. We take our job very seriously and are always here if you need us with questions, comments etc.

ABOUT ORGANIC KIDS LA

Organic Kids LA believes that feeding children healthy and delicious REAL food is one of the most important things we can do as a society. Children should have access to nutritious meals that they actually want to eat!

Our food is created from top quality ingredients and made with great care and love. Most of our food is made from scratch. From our applesauce, hummus and ranch dressing to our pizza dough and sauces. Our meats come from NON GMO fed animals that have never been exposed to pesticides or antibiotics. We use Mary's free roaming chickens and grass fed beef. We strive to use only ingredients that are ORGANIC and/or NON GMO certified as well as much locally grown fruits and vegetables as possible.

Again, please don't hesitate to reach out if you need us. We are here to help. Here's to the best school year yet!!!

With Love,

Lisa Rotondi

LUNCH OPTIONS

Organic Kids LA has several daily options for lunch:

- ***Chef's Special***: will always be a meal that includes meat.
- ***Chef Special 2***: will always be a vegetarian option.
- ***Chef's Special Hot***: the same every day, plain buttered noodles with a side of veggies (feel free to request Parmesan cheese)
