

# October 15, 2016

## @ Wildwood School

### #InnovatEDLA

InnovatED.LA engages families, students, parents, teachers, administrators, and industry leaders.

- Participate in our Hackathon
- Build in our makerspace
- Explore working 3D printers, cosmic ray detectors, holograms, and much more
- Learn/Collaborate in our workshops and displays
- Network within and across social and professional lines.

Hosted by Wildwood School with partners: Galileo Innovation Camps for Kids, Daniel Webster Middle School, and Synergy Academies and in collaboration with The Science & Entertainment Exchange, a program of the National Academy of Sciences
